

VOTING

To vote in Chowan County you must:

You must have been a resident of the county for 30 days.

You also must be 18 years of age or will be at the time of the next general election.

You must be a United States citizen.

You can not be registered to vote or vote in any other county or state after submission of your voter registration form. You will cancel any voter registration elsewhere.

If you have been convicted of a felony, your rights as a United States citizen must be restored before you are allowed to register to vote.

After your registration form is processed or any change is made to your record:

You will be assigned a voting place within the precinct where you live. A voter card will be mailed to you for review. This voter card should be kept for your records and can be used on Election Day for identification.

AT THE VOTING PLACE

Upon entering the voting place, give your name, address and party (primary only) to the precinct election officials. If you are properly registered, you will be given the appropriate ballot.

There are procedures that will allow you to vote. Call the Chowan County Board of Elections office for further information (252-482-4010).

CURBSIDE VOTING

If you are unable to enter the voting place because of age or physical disability, you will be allowed to vote either in your vehicle or immediately outside the voting place. Have someone enter the voting place and inform the precinct election officials of your desire to vote in this manner.
