Businesses, institutions, and residents of **Chowan County and the Town of Edenton** can bring electronics during daylight hours to the Soundside Drive and the Evans Church convenience sites. Place the materials inside the electronics recycling trailer. Please ask the attendant for assistance. Electronics are also accepted for recycling at the **PCG Landfill** on Perry's Bridge Rd. in Belvidere. This facility is open Mondays – Fridays, 8 AM – 4 PM. For more information please call Brad Gardner at 252-297-6524. No electronics should be removed from the site.

*Funding for improvements to the Electronics Recycling program was paid for in part through a 2013 Community Waste Reduction and Recycling Grant from NC Division of Environmental Assistance and Customer Service.*
