A precious one from us has gone

A voice we loved is stilled

A place is vacant in our home that never can be filled

God in wisdom has taken the dear one he had given

And though the body slumbers here the soul is safe in heaven

In Memory of our darling

June 17 1900

September 8 1900

Is hard to break the under cords

When love was bond

The heard tis hard so hard to speak the word

We must forever part dearest baby

We have laid them in the peaceful graves

Embrace but thy memory will be cherished til we see

They heavenly face
