

Chowan County Landfills accept the following items:

Plastics, Newspapers, Magazines, Glass, Cardboard/Linerboard/Paperboard, Junk mail, Catalogs, and Aluminum/Steel cans

The special materials discussed below are accepted at the convenience centers: Please pay special attention to the restrictions, if applicable.

Yard Waste: Leaves, limbs, and brush; plus pallets and unpainted, untreated lumber.

Preparation: Remove debris from bags. Heavy pieces must be under 12 in. diameter and less than 2 ft. long. Large quantities and logs or stumps must be taken to the PCG Landfill.

Bulky Items: Furniture, lumber, siding, sheet rock, brick, box springs, table top appliances etc. from households only. Large quantities and all commercially generated construction debris must go to PCG. No asbestos, hazardous, or liquid wastes are allowed!

Be prepared to unload heavy items yourself.

Scrap Metals and White Gold: Stoves, washers, water heaters, air conditioners, refrigerators, freezers, metal pipe, metal siding, tools, lawn mowers, etc. Small propane tanks – ask site attendant. Bring all metals to a convenience center or PCG Landfill. ***DO NOT crush appliances that contain Freon. NO welding gas tanks.***

Antifreeze: Accepted at all convenience centers. ***DO NOT mix any other materials with antifreeze!***

Used Motor Oil: Including transmission fluid, diesel fuel, hydraulic fluid, and lubricating fluid. These are accepted at all convenience centers and the PCG Landfill from residential sources ONLY! ***No mixtures of motor oil and water or any other hazardous materials accepted.***

Used Oil Filters: Accepted at all convenience centers and the PCG Landfill from residential sources only! Drain into the oil collection container and place in the filter container.

Cooking Oil: Accepted at all sites. ***Please ask the attendant for assistance with this so that it is being put into the proper container.***

Tires: Occasionally tires are collected at the sites. When the container is not there, please take all tires to the PCG Landfill in Belvidere and give the count to the scale operator. ***When purchasing new tires, please leave old ones at the store or garage.***

Gasoline: Small quantities from residential sources will be accepted at the PCG Landfill in Belvidere. ***DO NOT place oil in the tanks!***

Electronics and TV's: Computers, tablets, and TV's of all kinds including everything that attaches to them (i.e.: fax, copy machines, telephones, surge protectors, rechargeable batteries, cords, and more. Place in the trailers at the Evans Church and Sound Side Sites.

Rinsed Pesticide Containers: Accepted at the PCG Landfill. You may also call the Cooperative Exchange for more information.

Office Paper: Accepted with the commingled recyclables in the recycling compactors at the sites. This is not a confidential program. DO NOT put shredded paper in the recyclable container!

Special Recycling Programs and Questions: Call PCG for information: (252) 297-3300.

Large quantities of Oil – Gasoline – Paint – Junk Cars – Hazardous Materials
