Gerald Lee Sundstrom Jr.

August 20 1957

May 11 1996

Beloved son of Gerald L. and Peggy Copeland Sundstrom, was a very kind, compassionate, and unique person. If you needed someone, he was there. He could talk to anyone about anything. If a man could tell it like it was, it was Lee. He accomplished so much to have had so little. He was a farmer, a pilot for N.C. Forest Service and owner/operator of Farmers Air Service. His familiar sayings were “How’re you doing” or “You worry too much.” If a man’s wealth could be measured by his friends, then Lee died a rich man. Memories of his quick smile and his care for others, will live forever in our hearts. He died doing what he loved to do, flying.

“Gone from sight, but not forgotten”

May he rest in peace.
